Plan of Correction 365 Announces Strategic Partnership with MedTrust Revolutionizing Compliance and Quality in Post-Acute Care Through Innovation and Accessibility for all Nursing Homes

Orlando, FL – March 25, 2025

Plan of Correction 365 (POC-365), a game-changing regulatory compliance platform headquartered in Orlando, Florida, is proud to announce its strategic partnership with **MedTrust Health Alliance**, a leading Group Purchasing Organization (GPO) dedicated to the success of senior care providers.

This exciting collaboration grants **MedTrust's** extensive network of post-acute and long-term care providers access to **POC-365's** innovative AI-powered compliance platform at exclusive pricing and customized onboarding benefits. Designed by a clinical team with a vast knowledge of the regulatory space, **Plan of Correction 365** transforms how facilities manage citations, write plans of correction, and implement sustainable quality improvement – all in real time.

"This partnership marks a turning point in the future of compliance in long-term care," said Aysha Kuhlор, RN, MSN, PAC-NE, Chief Clinical Advisor of **POC-365**. "Our mission is to make compliance smarter, faster, and more accessible. By joining forces with MedTrust, we are amplifying our impact and empowering more facilities to achieve lasting excellence."

Plan of Correction 365 simplifies regulatory challenges by using artificial intelligence to instantly generate customized plans of correction, audit forms, and education strategies. With increasing regulatory scrutiny across the country, **POC-365** has quickly become the go-to compliance partner for forward-thinking organizations.

"**POC-365** is the future of compliance," said Kent Keith, CEO of **MedTrust Health Alliance**. "Our members need tools that save time, reduce risk, and ensure quality. This partnership delivers exactly that – a powerful solution with the right support and price point to meet the evolving needs of our industry."

The partnership officially launched on **April 1st, 2025**, and is now live on both organizations' platforms. **POC-365** will also provide quarterly education sessions exclusively for **MedTrust members**, ensuring staff are supported and survey-ready year-round.
